Owned and operated by A.W. Jenkinson Farms, Whinfellpark Limousins' bovine genetics services are centred on the marketing of semen from a series of magnificent Limousin bulls.

Combining rapid growth rates, excellent carcass quality and show winning statistics, the Whinfellpark Limousin stock consistently delivers exceptional quality cattle.

Whinfellpark progeny are achieving impressive market prices and numerous show successes; both for A.W. Jenkinson Farms themselves and for semen and breeding stock clients across the UK and beyond around the globe.

Whinfellpark's extensive range of breeding stock is led by Trueman Jagger, Foxhillfarm Jasper, Lowerffrydd Empire, Dolcorllwyn Fabio and Wilodge Cerberus, plus of course Gunnerfleet Lion and Whinfellpark Lomu. This magnificent stable represent some of the finest combinations of pedigree and statistics ever recorded for Limousin bulls.

Semen from Whinfellpark's superb stable of bulls is available through the Farm's dedicated website, www.whinfellpark.co.uk

WHINFELLPARK LOMU
 GUNNERFLEET LION

WHINFELLPARK LOMU

GUNNERFLEET LION

WHINFELLPARK LOMU

This magnificent young Whinfellpark bred bull has an exceptional pedigree, being sired by the farm's famed Lowerfrydd Empire, out of leading female Whinfellpark Femi.

Displaying much admired shape, Lomu has already been awarded the Stars of The Future Interbreed Championship at Stirling in November 2016.

Ideal for both commercial as well as pedigree breeders, to date Whinfellpark Lomu is undoubtedly the best home bred bull produced at the farm. His sire Lowerfrydd Empire has already produced some exceptional breeding females.

LOWERFRYDD EMPIRE

WHINFELLPARK FEMI

GUNNERFLEET LION

Bought for 22,000gns at the Carlisle Sale in February 2017, Reserve Junior Champion, Gunnerfleet Lion is a superb beast that now forms a mainstay of the Whinfellpark herd.

Born in October 2015, Gunnerfleet Lion is an embryo calf by Gunnerfleet Hicks and out of Gunnerfleet Ilocks.

Lion has been described as one of the best-bred bulls at Gunnerfleet for many years.

Ideal for both commercial as well as pedigree breeders, Gunnerfleet Lion is a much admired bull.

Semen from these stunning bulls is now available at whinfellpark.co.uk
